Keeping revision separate from new work. Put one familiar item and one new item on the lesson card. Give each its own turn so difficulty https://www.expertsmind.com/blog/post/online-quran-classes-for-kids-a-complete-guide-for-parents-71144.aspx with new material does not hide what the learner already remembers. Return to the familiar item after a short break and record how much prompting it required.

Preparing an audio check. Use ordinary speech to test *online Quran tuition UK* whether the teacher can hear quiet and sustained sounds clearly. Move the microphone if breath noise or clipping obscures the signal. Repeat a short tutor-selected example after the adjustment and ask whether the relevant detail is now audible.

Ask the learner which of the two activities felt easier and why. Refer to the example they actually tried when agreeing on a home-practice task.
