15 Things You Didn't Know About Crazy Time Slot

Step Right Up: The Ultimate Guide to the Crazy Time Casino Game

The online casino landscape has developed drastically over the last decade. Gone are the days when players were pleased with spinning static reels on conventional slots or playing electronic variations of table video games. Today, the demand is for immersion, interaction, and high-energy home entertainment. Enter the world of live video game shows, a genre entirely reinvented by software supplier Evolution Gaming. At the outright pinnacle of this phenomenon sits **Crazy Time**-- a dynamic, unpredictable, and possibly financially rewarding live dealership video game that has captured the attention of millions worldwide.

Whether one is a skilled casino enthusiast or a curious newbie, comprehending the mechanics, rewards, and strategies of Crazy Time is vital for making the most of both enjoyment and possible payments.

What is Crazy Time?

Released in 2020, Crazy Time is developed on the huge success of Evolution's earlier title, *Dream Catcher*. The game is hosted in an enormous, brightly colored, circus-themed studio run by a passionate live presenter.

At the center of the set is an enormous, vertical 52-segment wheel. The wheel is spun by the host, and gamers position bets on which segment the flapper will land on. However, what sets Crazy Time apart from a basic cash wheel is the addition of a leading slot multiplier on every spin, along with 4 distinct, extremely interactive perk rounds.

The Wheel Breakdown

To comprehend how the game works, one should first take a look at the layout of the wheel. The 52 sections are divided amongst numbers and reward games, as detailed in the table below.

Sector Type Number of Segments on Wheel Payment Odds Approximate Probability **Number 1** 21 1:1 40.38% **Number 2** 13 2:1 25.00% **Number 5** 7 5:1 13.46% **Number 10** 4 10:1 7.69% **Coin Flip** 4 Benefit Round 7.69% **Cash Hunt** 2 Reward Round 3.85% **Pachinko** 2 Benefit Round 3.85% **Crazy Time** 1 Benefit Round 1.92%

The Top Slot Feature

Before every spin of the main wheel, a mini two-reel slots (understood as the Top Slot) spins directly above the main wheel.

- Reel one displays a bet spot (either a number or a benefit video game).
- Reel 2 displays a multiplier value (ranging from 2x as much as 50x).

If the bet spot and the multiplier align horizontally on the Top Slot, that multiplier is used to the matching sector on the main wheel for that round. If the wheel arrive on that section, any wins are multiplied appropriately. This feature is what enables gamers to secure massive payouts even on standard number bets.

Diving Into the Four Bonus Rounds

The real heart and soul of Crazy Time lie in its four perk games. Setting off among these rounds carries gamers away from the main wheel and into a completely different augmented truth or physical set.

1. Coin Flip

- **Frequency:** 4 segments on the wheel.
- **How it works:** A basic coin with a red side and a blue side is turned by a machine. Before the flip, random multipliers are appointed to both sides of the coin. Whichever color lands face up identifies the winning multiplier for all gamers who bet on Coin Flip.

2. Money Hunt

- **Frequency:** 2 sections on the wheel.
- **How it works:** Players are presented with a huge screen showing a grid of 108 random multipliers, which are then covered by shifting symbols (like a duck, a chef's hat, or a cactus). Players use an on-screen cannon to having a go at the sign they believe hides the highest multiplier. When the timer runs out, all cannons fire, revealing the private multipliers behind the chosen targets.

3. Pachinko

- **Frequency:** 2 sections on the wheel.
- **How it works:** Inspired by the traditional Japanese arcade game, this bonus offer includes a large physical Pachinko wall filled with pegs. The host drops a puck from the top, and it bounces down the board until it lands in one of the slots at the bottom, each including a multiplier.
- **The "Double" Rule:** If the puck lands in a slot identified "DOUBLE," all multipliers at the bottom of the wall are doubled, and the puck is dropped once again, raising the stakes substantially.

4. Crazy Time

- **Frequency:** 1 section on the wheel.
- **How it works:** This is the ultimate bonus round. The host opens a red door, leading gamers into a surreal, brilliantly colored virtual world including a huge, gigantic money wheel.
- **Choosing a Flapper:** Before the wheel is spun, gamers need to choose among three flappers (Green, Blue, or Yellow). The wheel is then spun, and whatever multiplier the picked flapper indicate is awarded. Similar to Pachinko, this wheel includes "DOUBLE" and "TRIPLE" sections, permitting multipliers to reach huge heights (as much as a staggering 20,000 x).

Tips and Strategies for Playing Crazy Time

While Crazy Time is basically a video game of possibility figured out by random number generators and physical physics, gamers frequently employ particular strategies to handle their bankroll and extend their gameplay session.

- **The Safe Approach (Covering the Numbers):** Players searching for longevity often wager on the numbers (1, 2, 5, and 10) because they cover a combined analytical majority of the wheel (roughly 86%). This yields regular, smaller sized wins that sustain the bankroll.

- **The Bonus Hunter Strategy:** Many enthusiasts select to neglect the number sections totally, placing little bets solely on the 4 perk rounds. While this approach includes more variance and dry spells, it guarantees entry into the most interesting and profitable parts of the video game when a benefit hits.
- **Balanced Betting:** A popular middle-ground technique includes banking on a mix of numbers (like 1 and 2) while also positioning smaller sized additional bets on all four bonus rounds to ensure eligibility for each significant function.

Why Crazy Time Continues to Dominate Online Casinos

The enormous enduring popularity of Crazy Time is no mishap. Advancement Gaming successfully integrated the psychological appeal of television game shows with the thrill of real-money gambling.
