The Four Bonus Rounds Explained by means of Demo Observation

When players view or play the Crazy Time demonstration, their primary goal must be to witness how the four bonus offer rounds operate. These mini-games are where the massive payouts (up to 500,000 x the bet) happen.

1. Coin Flip

- **Frequency:** 4 sections on the wheel.
- **How it works:** A coin with a red side and a blue side is flipped by an automated maker. Each side is designated a random multiplier before the flip. Whichever side lands face-up wins the gamer that multiplier.

2. Pachinko

- **Frequency:** 2 sections on the wheel.
- **How it works:** Inspired by the traditional Japanese arcade video game, a puck is dropped from the top of a board filled with pegs. The puck bounces down and lands in among a number of multiplier slots at the bottom, or in a "DOUBLE" slot, which doubles all multipliers on the board and triggers another drop.

3. Cash Hunt

- **Frequency:** 2 sections on the wheel.
- **How it works:** A giant screen displays 108 random multipliers hidden behind shooting gallery signs (such as a cactus, a target, or a sheriff's star). Players use an on-screen cannon to intend and contend one symbol before time goes out, exposing their surprise multiplier.

4. Crazy Time

- **Frequency:** 1 sector on the wheel.
- **How it works:** The supreme bonus round. Gamers are transported behind a huge red door into a dynamic, virtual world including a huge 64-segment wheel. The gamer must pick among three flappers (Green, Blue, or Yellow). The wheel spins, and whatever multiplier the picked flapper indicate is granted. If it lands on "DOUBLE" or "TRIPLE," all multipliers on the wheel are increased appropriately, and the wheel spins once again.
