

Periodontal treatment at Whites Dental Marble Arch addresses more advanced gum disease for W2 patients, going beyond routine hygiene care. The treatment focuses on removing bacteria and tartar from below the gum line, helping to stabilise the condition and protect the supporting bone structure.

Whites Dental Marble Arch (W2) | 52B Kendal St, St George's [Dentist W2](#) Fields, London W2 2BP | 020 3576 2325

Patients across W2 experiencing persistent gum bleeding, recession or looseness of teeth are encouraged to book an assessment rather than waiting for symptoms to worsen. For periodontal treatment in W2, contact Whites Dental Marble Arch on 020 3576 2325 or visit 52B Kendal St, St George's Fields.
