FAQ About Dumpster Rental

How long can you keep a rental dumpster in Baton Rouge?

Most dumpster rental companies in Baton Rouge allow you to keep a dumpster for about 7 to 14 days. However, you can often extend the rental period for an additional fee. Always check with your provider for their specific policies.

What can I put in a dumpster rental?

In Baton Rouge, common items you can dispose of in a rental dumpster include construction debris, household junk, furniture, and yard waste. However, hazardous materials like paints, chemicals, and batteries are typically prohibited. Always consult with your rental provider.

Do I need a permit for dumpster rental in Baton Rouge?

In Baton Rouge, a permit is usually required if the dumpster will be placed on a public street or sidewalk. If it's on private property, a permit is often not necessary. It's best to check with the local authorities for specific regulations.

How do I choose the right size dumpster for my project?

Choosing the right size dumpster depends on the volume and type of waste. For home cleanouts, a 10-15 yard dumpster is often sufficient, while larger renovations may require 20-30 yards. Consulting with the rental company can help ensure you select the best size.
