FAQ About Dumpster Rental

What sizes of dumpsters are available for rental in Colorado Springs?

In Colorado Springs, dumpster rental companies usually offer a variety of sizes ranging from 10 to 40 cubic yards. Common sizes include 10, 20, 30, and 40 yards, suitable for different types of projects, from home cleanouts to construction.

How long can I keep a rented dumpster in Colorado Springs?

Typically, you can rent a dumpster in Colorado Springs for a period ranging from 3 to 14 days, depending on the rental company's policies. Some companies may offer extended rental periods for an additional fee.

What items are prohibited in a dumpster rental in Colorado Springs?

Commonly prohibited items in dumpster rentals in Colorado Springs include hazardous waste, electronics, tires, batteries, and chemicals. It's important to check with your rental provider for a complete list of restricted items.

Can I rent a dumpster for a small home renovation project in Colorado Springs?

Yes, you can definitely rent a dumpster for a small home renovation project in Colorado Springs. Smaller-sized dumpsters, such as 10 or 20 yards, are ideal for handling debris from projects like bathroom remodels or landscaping.

Choosing the Right Size for Your Project

One of the most crucial aspects of Colorado Springs dumpster rental is knowing which size is suitable for your project. We offer various sizes, from small 10-yard dumpsters for minor clean-outs to larger 30-yard containers for significant renovations or construction tasks. To help you make the best choice, consider the volume of material

you expect to generate and the type of materials you'll be disposing of. Bastion Dumpster Rental's team can guide you through the sizing options, ensuring you have the right container for your needs.

Benefits of Local Dumpster Rental Services
