Kinds of Children's Bunk Beds Available in the UK

The UK furnishings market boasts a wide array of bunk bed designs, each tailored to various spatial requirements and household dynamics.

1. The Traditional Twin-over-Twin

This is the classic configuration including 2 single beds (typically UK basic single size: 90cm x 190cm) stacked straight on top of each other. It is ideal for siblings sharing a space.

2. The L-Shaped Bunk Bed

In this design, the lower bed is placed at a right angle to the leading bunk. This creates an unique separation of space and typically leaves space underneath the leading bunk for a desk, a little closet, or a cosy reading nook.

3. The Triple Sleeper (Bunk with a Double Bottom)

A remarkably popular choice in the UK, the triple sleeper includes a single bed on the top and a small double (4ft) or basic double (4.6 feet) bed mattress on the bottom. This is perfect for older children, teenagers, or

accommodating guests, and it maximises the utility of bigger bedrooms.

4. The Cabin Bed/ Mid-Sleeper with a Pull-Out Bed

Technically a variation of the single bed, mid-sleepers include a raised sleeping platform with a trundle bed tucked underneath that can be taken out during the night and slid away throughout the day.

Security Standards in the UK

When purchasing children's furnishings in the UK, safety is critical. Moms and dads should make sure that any bunk bed they buy adhere to rigid British and European security standards.

- **Safety Standard:** Look for beds that comply with **BS EN 747**, the European security requirement for bunk beds and high beds. This makes sure structural integrity, entrapment risk avoidance, and appropriate guardrail heights.
- **Bed mattress Depth:** Pay very close attention to the producer's maximum mattress depth suggestion for the leading bunk. If the mattress is too thick, it reduces the effective height of the safety guardrail, increasing the danger of a fall.
- **Age Appropriateness:** Official security standards usually encourage that children under the age of 6 should not sleep on the top bunk due to the danger of falls.
