FAQ About Dumpster Rental

How long can you keep a rented dumpster?

Most dumpster rental companies in Lexington, KY allow you to keep the dumpster for 7 to 14 days. If you need it longer, you can usually extend the rental period for an additional fee. Always check the terms with the rental provider.

What size dumpster do I need for a home renovation?

For a home renovation, a 10 to 20-yard dumpster is often ideal, depending on the extent of the project. A 10-yard dumpster is suitable for small remodels, while a 20-yard dumpster can handle larger renovations or cleanouts.

What items are prohibited in a dumpster rental?

Prohibited items in a dumpster rental typically include hazardous waste, chemicals, batteries, tires, and electronic waste. Always consult with your rental company for a complete list of prohibited items to avoid fines.

How do I choose the right dumpster rental company?

To choose the right dumpster rental company, consider factors like pricing, customer reviews, available dumpster sizes, and rental terms. It's beneficial to request quotes from multiple companies to compare options and ensure you find a reputable provider.

Commitment to Sustainable Waste Management

At Dump Rite Dumpster Rental, we also understand the importance of environmentally-friendly waste management practices. Our team is dedicated to minimizing the amount of waste that goes to the dump by encouraging recycling and responsible disposal methods. We ensure that recyclable materials are separated and sent to appropriate facilities, making Lexington a cleaner, greener place for all its residents.
