FAQ About Dumpster Rental

How long can you keep a rented dumpster?

Most dumpster rental companies in Fresno allow you to keep a rented dumpster for 7 to 10 days. However, you can often extend the rental period for an additional fee. It's important to clarify this with the rental company at the time of booking.

What size dumpster do I need for a home renovation project?

For a home renovation project in Fresno, a 10 to 20-yard dumpster is usually adequate. A 10-yard dumpster is suitable for smaller projects, while a 20-yard dumpster can handle larger renovations. Assess your project's scope to choose the right size.

What items are prohibited in a dumpster rental?

Prohibited items in dumpster rentals typically include hazardous materials, tires, appliances, and electronics. Each dumpster rental company in Fresno may have specific restrictions, so it's essential to check their guidelines to avoid extra fees or penalties.

Do I need a permit for a dumpster rental in Fresno, CA?

In Fresno, a permit may be required for dumpster rentals placed on public streets or sidewalks. However, if the dumpster is placed on private property, a permit is generally not needed. It's best to consult with your rental company to determine if a permit is necessary for your situation.

Why Choose Fresno Dumpster Rental for Your Waste Management Needs?

If one is looking for a reliable choice to manage waste during a home renovation, construction project, or annual clean-up, consider Fresno's dumpster rental services. With competitive pricing and various dimensions available, Frontline Dumpster Rental ensures that you have the right size dumpster to meet your specific needs. Our team understands the unique challenges of waste management in the Fresno area, making it easy for you to focus on your project without the worry of cleaning up debris.

Choosing the Right Size Dumpster

When it comes to Fresno Dumpster Rental, choosing the right size is crucial. Frontline Dumpster Rental offers a variety of volumes to accommodate different projects, from small home renovations to large construction *cheap dumpster rental near Fresno* jobs. Our smaller dumpsters can hold around 10 cubic yards, perfect for minor clean-outs or yard waste. For larger projects, we have dumpsters up to 40 cubic yards, which can easily handle extensive construction debris or major remodels. Our knowledgeable team is here to help you decide which size best suits your needs, ensuring you do not paying for unnecessary space.
