What is a CS: GO Case Battle?

A case battle is a multiplayer video game mode hosted on third-party CS2 skin gaming and trading websites. Unlike opening cases alone in the video game customer, a case battle enables numerous gamers (typically between 2 and 4) to open the exact very same set of <https://cs2skin.com/case-battle> cases at the same time.

The rules are basic:

1. **Buy-in:** All participants contribute a set amount of cases, moneyed by their website balance.
2. **The Drop:** The system opens the cases for all players round by round. Every product dropped is offered a real-world financial worth based on Steam Market or third-party prices.
3. **The Winner:** At the end of the battle, the overall value of all skin drops for each player is computed. The player with the highest overall value wins **all** the products dropped in the match, including those of their opponents.

If you are fortunate, you can win double, triple, or perhaps 10 times your initial buy-in. If you lose, you lose the cost of the cases.
