

Federal criminal charges involve a different court system, different procedural rules, and often more severe [criminal defense attorney](#) potential penalties than state charges, and The Irving Law Firm represents clients facing federal prosecution. The firm maintains a dedicated focus on federal defense, recognizing that these cases require attorneys with specific familiarity with federal court procedures and sentencing guidelines. Federal sentencing guidelines operate differently than state sentencing, often resulting in significant potential prison time even for offenses that might carry lighter state penalties.

The Irving Law Firm | 9253 Mosby St., 2nd Floor, Manassas, VA 20110 | (703) 844-4118

Given these elevated stakes, working with attorneys who have genuine federal court experience is particularly important when facing charges in the federal system. For federal criminal charges in Virginia, call The Irving Law Firm at (703) 844-4118.
